

The diagram shows a rectangular print layout with a light blue background. A vertical green line runs down the center, and a horizontal blue line runs across the middle. At the top, two diagonal red lines form a V-shape pointing towards the center. A horizontal double-headed arrow is positioned above the blue line, and a horizontal single-headed arrow points left from the green line. Text labels with arrows point to these lines: 'RED LINE IS THE CUT LINE' points to the top red lines, 'BLUE LINE IS THE SAFETY LINE' points to the horizontal blue line, and 'GREEN LINES ARE THE FOLD LINES' points to the vertical green line. At the bottom, text specifies the finished and bleed sizes.
