

The diagram shows a rectangular card layout. It features three concentric borders: an outermost red line, a middle blue line, and an innermost black line. The black line is the innermost and represents the bleed line. The blue line is the middle and represents the safety line. The red line is the outermost and represents the cut line. Arrows point from the text labels to their respective lines: a vertical arrow points up to the black line, a horizontal arrow points right to the red line, and another horizontal arrow points right to the blue line.
