

The diagram shows a rectangular template for a 5x7 inch finished product. It features three main lines: a red line for the cut, a blue line for the safety, and a green line for the fold. The text 'INSIDE' and 'BK' are printed in large, light gray letters across the center. Arrows point from the text labels to their respective lines: two arrows point to the red line (one from the top left and one from the top right), one arrow points to the blue line from the left, and one arrow points to the green line from the right.
